

With a long experience in executive search and recruitment, Alliance Consulting Group, present in Switzerland and in France, has distinguished itself for 23 years as one of the main consultants in the search for specialists and experts in the European food supplements & nutrition sectors.

The client we advise is an independent family-owned group founded over 120 years ago, which consolidated sales jumped by 66% in 2022!

A trusted partner throughout the value chain, a stable capital base and a successful international presence are the key factors behind this success story, one of the world leaders in the production of plant-based raw materials for human consumption.

To support the management of one of its sites based in German-speaking Switzerland, it is searching for a

## Quality, Health & Safety Manager

Reporting to the Group's Quality Director based in France, and with your team of 3 people, you will be responsible for the quality improvement in all areas of the organization in accordance with the ISO 9001/2015 standard. You will ensure food safety in accordance with certification FSSC 22000.

You will also be in charge of safety in the workplace and compliance with Swiss and European food legislation. you will carry out, plan and implement audits in the fields of quality management, food safety (HACCP) and product labelling (organic, kosher, halal). You will handle complaints (clients and suppliers) and organize the management of corrections and improvements (CAPA).

Preferably Agri./Agro. Engineer, you have at least 6 to 8 years' proven experience in quality management in a medium-sized 1st processing food industry in a bicultural environment. You are fluent in German, English and, to ensure smooth integration, French.

As a true keystone between two cultures, at the local level, you are able to exercise a central hierarchical function prioritizing the consensus, efficiency and role of each one within the framework of a well-established process involving all the actors involved. At the global level, you facilitate the progressive integration of a European culture with a short hierarchy and a proven international vision...

For this position based in the Thurgovie canton, please provide us with your full application (CV, cover letter, expected salary) which will be processed in the strictest confidence ref. **RAQ375/W - Alliance Consulting Switzerland** to [contact@alliance-consulting.ch](mailto:contact@alliance-consulting.ch)
